Beijing, June 7th – 9th, 2018

In the framework of the collaboration with the Chinese Ministry of Environmental Protection (MEP), the Italian Ministry of Environment, Land and Sea (IMELS) will invite targeted Italian companies in the field of

- Water Pollution Prevention and Control;
- Air Pollution Prevention and Control;
- Solid Waste Treatment and Disposal;
- Soil and Groundwater Remediation;
- Environmental Monitoring;
- Energy Efficiency

to join the 16th China International Environmental Protection Exhibition & Conference (CIEPEC) that will be held in Beijing from June 7th to 9th, 2018.

Sponsored activities will cover:

- Participation to the China International Environmental Protection Exhibition & Conference (CIEPEC) with exhibition desk/booth;
- B2B meetings with selected Chinese and international companies;
- Book catalogue listing the Italian companies attending the exhibition

CIEPEC - China International Environmental Protection Exhibition and Conference sponsored by the Ministry of Environmental Protection (MEP) and organized by China Association of Environmental Industry. CIEPEC has been successfully held since 1986. It is the most influential environment exhibition in China with the largest scale, and widely recognized by domestic and overseas professionals. Famed as the best gateway to understand and enter into the Chinese market, CIEPEC builds a bridge for domestic and overseas professionals, suppliers and users to meet each other. In the past 31 years, CIEPEC led Chinese environment market to the world, witnessed the development of Chinese environment industry.
