A1 BASIC - It includes the creation of a room, inside the digital platform, where a static service poster will be inserted. The poster may contain images, information, graphics and the author's references. The poster will remain visible on the platform throughout its lifecycle. Vertical A3 Poster Size: 1200px height, 850px width, 72 DPI resolution.

A2 ADVANCED - It includes the creation of a room, inside the digital platform, with the possibility of inserting: 1 cover image (width 1920 px. height 802 px, resolution 72 DPI), 1 PDF file from 6 pages (brochure), 1 video recommended duration of 20-40 seconds, 3 services pages (the services page contains a photo with description: width 455 px for height 291 px resolution 72 DPI and a Call to Action contact), the management of 3 accounts including the administration account. The contents of the room will remain visible on the platform throughout the life cycle of the same.

The cost of participation also includes: the possibility of making a report within the official congress planning, the opportunity to organize bilateral international meetings with foreign delegations, the organization of a 1h webinar (technical meeting), the registration in the official catalog of the event.

A3 ADVANCED PLUS - It includes the creation of a room, inside the digital platform, with the possibility of inserting: 1 cover image (width 1920 px. height 802 px, resolution 72 DPI), 1 PDF file from 6 pages (brochure), 2 video recommended duration of 20-40 seconds, 5 services pages (the services page contains a photo with description: width 455 px for height 291 px resolution 72 DPI and a Call to Action contact), the management of 3 accounts including the administration account. The contents of the room will remain visible on the platform throughout the life cycle of the same.

The cost of participation also includes: the possibility of making a report within the official congress planning, the opportunity to organize bilateral international meetings with foreign delegations, the organization of a 1h webinar (technical meeting), the registration in the official catalog of the event

B1 CONFERENCE SESSION - It includes the participation, as speaker, in one of the congress sessions scheduled on the digital platform and provides for the publication of the logo alongside the program of the congress session of interest on the website (containing the detailed agenda) and the official catalog of the event.

B2 THEMATIC SEGMENT - It includes participation in the work to define the congress planning relating to the thematic segment of interest, participation in two of the congress sessions scheduled on the digital platform, publication of the logo alongside all the days of the program relating to the thematic segment of interest to the inside the web page and the official catalog of the event.

C1 BANNER IN THE HALL - It includes the possibility of inserting a banner (graphics by your care) inside the main Hall of the platform, an area of maximum flow since it will be intended to welcome all visitors arriving on the platform. Inside the banner it will be possible to insert textual or multimedia references (photos or graphics).

C2 BANNER IN THE ROOMS - It includes the possibility of inserting a banner (graphics by you) inside one of the rooms specially designed to host conferences or the exhibition area. Inside the banner it will be possible to insert textual or multimedia references (photos or graphics).

C3 ROOM NAME - It includes the exclusive possibility of assigning your name or name chosen by you to the digital conference room, where the conferences, conferences and meetings of major interest for you will take place. Your name / logo is published on all the promotional material of the event in correspondence with the digital plan of the event and the digital room of interest.

D1 MAIN SPONSOR - It includes participation in the exhibition in advanced mode, participation in the inaugural session on the agenda on the first day of the event in the presence of the main Authorities and a conference session among those on the agenda. The sponsor's logo is published on all the promotional material of the event, inside the platform access hall, on the website homepage, inside all the newsletters (about one / 10GG), on the cover of the official catalog and within the same with a dedicated page.

D2 CATALOGUE SPONSOR - The official catalog of the event is the only official document of the event. The catalog is made available during the five days of events and throughout the life of the platform to all visitors, sent to delegations, institutions, guests, exhibitors and distributed throughout the year on the occasion of the most important meetings with partners institutional. Inside the catalog, a page in the position of maximum visibility to be agreed is dedicated to you (graphics by you) and the wording "Catalog sponsored by" will be reported.

D3 AWARD SPONSOR - The Awards are one of the central moments of the event. The Sponsorship Award includes the possibility of sponsoring one of the Awards already on the agenda (Degree, Doctorate, Innovation, Smart Port, Smart River, Emergency Management) or to identify a new

award segment. The sponsor is present and actively participates in the award ceremony. The sponsor's logo is published as part of the Award program, on the website and in the official catalog of the event, with the words "Award sponsored by".

- E1 DEDICATED NEWSLETTER** - It includes the opportunity to be definitively included in the editorial plan of the RemTech Expo newsletter (Every 10 days) with a newsletter dedicated to you. The contents of the newsletter provide information on the "flagship" conference programs, preparatory events, partnerships, ceremonies, presentations, development of national and international projects, etc. The newsletter includes a written part and a graphic part containing your logo and a brief description.

- E2 NEWSLETTER "BE PART OF"**
 - A) It includes the opportunity to insert your banner in an official newsletter of the event (Every 10 days). Banner size 600 x 220 pixels.
 - B) It includes an article integrated into the newsletter of maximum 150 characters long, spaces included for each language (ITA + ENG) by you, with hyperlink to your landing page.

- E3 VIDEO REPORT** - Your logo is placed within the final video report, lasting about 3 minutes, within which the highlights and most important moments will be collected. The logo will appear at the opening and closing of the video and will remain fixed at the top left for all the video. The video report will be published in the video gallery of the event website, sent to all media partners, disseminated through all the channels and social platforms connected (Facebook, LinkedIn, Instagram, Twitter and Youtube).

- E4 CUSTOMIZED INTERVIEW** - It consists of a personalized interview lasting approx. 3 minutes. The filmed material will be post produced, published within the event's video gallery, promoted and delivered to you. The logo will appear at the opening, closing of the video and will remain fixed in the upper left for the total duration of 3 minutes. The interview will be published in the video gallery of the event website, sent to all media partners, disseminated through all the channels and social platforms connected (Facebook, LinkedIn, Instagram, Twitter and Youtube).

- E5 SOCIAL PLANS** - It includes the execution of a "mini" social campaign, within the official communication channels of the event. A series of post will be published on the social networks of the event with text equal to 350 characters including spaces per language (ITA + ENG) and the possibility of choosing the insertion of an image or video by you.

GENERAL REGULATIONS

Art. 1 PARTICIPATION

The submission of the Application Form, drawn up on the appropriate form, constitutes an irrevocable proposal for the applicant and implies acceptance of these General Regulations, and any other rules relating to the organization and functioning of the Event. The dealers, agents or exclusive and general representatives must obligatorily attach to their Application Form the list of the houses they represent and whose products they intend to exhibit. The applicant is required to provide any other documentation that may be required to decide on the acceptance of the Application and to ascertain - at any time - compliance with the conditions for participation in the Event. In the event that the Application for Participation is not accepted, the applicant will be informed of the reasons that led to the non-acceptance.

Art. 2 PAYMENT TERMS

Exhibitors and active Participants (sponsors) who, being included in the "thematic categories" of "RemTech Expo", wish to participate in the event, must submit the Application Form signed by the applicant, if an individual company, or by the legal representative in each other case. By express termination clause, together with the Application Form, payment of the total amount must be made by 15 July 2020. For registrations notified after this date, payments must be made on demand. Otherwise, the Organizers can prevent the exhibitor from participating in the event.

ART. 3

The Exhibitor or active Participant (sponsor), having read the General Regulations of the event, declares to accept it in all its parts, thus assuming full and complete civil and criminal liability as regards the materials and information uploaded to the platform. The Exhibitor or active Participant (sponsor) also relieves, to all intents and purposes, the event from any civil and criminal liability arising from deficiencies, damages, impediments that may occur due to failure to comply with the above rules.
