

SESSION

Contaminants of Emerging Concern

THURSDAY 21 SEPTEMBER
17.00 – 19.00 CEST (Central European Summer Time)

Opening

17:00 Welcome from Interstate Technology Regulatory Council (ITRC) and Remtech Europe
Claudio Sorrentino (DSTC, ITRC), Marco Falconi (ISPRA, Remtech Europe)

Presentations

17:10 Contaminants of Emerging Concern
Paula Panzino (ADEQ Arizona Department of Environmental Quality, ITRC), Vivek Mathrani (Department of Toxic Substances Control California, ITRC)

19:50 Questions and Answers
Claudio Sorrentino (DSTC, ITRC), Marco Falconi (ISPRA, Remtech Europe)

20:00 End of the training

Register yourself in the Google form <https://forms.gle/9yh3c5PZMcAitq6p7>

BRIEF DESCRIPTION OF THE TRAINING

Contaminants of emerging concern are an issue that often demands an immediate response by state regulatory agencies and requires a clear procedure on how to identify, evaluate, and manage them. Once an emerging contaminant is identified, public concern and interest may become elevated, requiring States to rapidly respond. Regulatory agencies and the regulated community need to more effectively address exposure to emerging contaminants while meeting the expectations of concerned or interested public stakeholders.
